

**ADIRONDACK MOUNTAIN CLUB
MOHICAN CHAPTER**
Serving Westchester, Putnam and Fairfield Counties

**Mohican Chapter Update
July 10, 2020**

At this time, Mohican ADK is still not offering group hikes. We encourage our members to hike alone or with one or two others during this time. Be aware that many of the larger local parks are experiencing overcrowding so check out some of the smaller preserves. The book Walkable Westchester is a great source for ideas. Also be aware that visitor centers and restrooms will probably be closed and that the parks require visitors to practice social distancing and wear a mask. Check out the [COVID-19 Guidelines](#) on our website for more specifics.

It is possible that we will resume group hikes in August, so check our website regularly and look for yahoo emails. It may be sometime before we publish a 3-month schedule as we have done in the past.

Our chapter Labor Day weekend at Harriman State Park has been cancelled. The ADK Fall Outing at Old Forge has been postponed (no date given).

Stay well until we see you again,

Jane Smalley, Chair
Kathie Laug, Vice-Chair
